American Veteran Education Foundation Vietnam Veterans of America Buckeye Council 1st Annual Ohio Patriot Games

By sponsoring this event you will receive maximum recognition and exposure within the veteran community through public service announcements such as newspapers, radio and television resources. This event is one of the largest veteran events in the region, and the first of its kind in the country. It will improve good public relations and satisfaction within your organization knowing that you have supported the student veterans on Ohio's campuses and all of Ohio's Best Brightest and Bravest

Ultimately, your company/organization will improve community relations with other veteran friendly businesses, organizations, and institutions of Ohio. You will be helping thousands of veterans that need to receive relevant information about the benefits, education, employment, housing and legal services they have earned.
