FY08 GEOGRAPHIC DISTRIBUTION OF VA EXPENDITURES (GDY)

OHIO Expenditures in \$000s										
County/ Congressional District	Veteran Population*	Total Expenditure	Compensation & Pensions	Construction [±]	Education & Vocational Rehabilitation/ Employment	Loan Guaranty	General Operating Expenses	Insurance & Indemnities	Medical Care	Unique Patients**
<p>3. The Compensation & Pension category includes expenditures for the following programs: veterans' compensation for service-connected disability; dependency and indemnity compensation for service-connected deaths; veterans' pension for nonservice-connected disabilities; and burial and other benefits to veterans and their survivors.</p>										
<p>4. Medical Care category includes medical services, medical administration, facility maintenance, educational support, research support, and other overhead items. Medical Care does not include construction or other non-medical support expenditures.</p>										
<p>5. Total expenditures by sum of counties may be slightly different from those calculated by sum of 110th Congressional Districts. The differences are resulted from rounding.</p>

Notes:										

* Veteran population estimate as of September 30, 2008 by the VA Office of the Actuary (VetPop 2007).

In previous GDX release, "Loan Guaranty" expenditures were included in the Education & Vocational Rehabilitation and Employment (E&VRE) programs. Starting with FY08 GDX, Loan Guaranty will be reported under its own category. Currently, all "Loan Guaranty" expenditures are attributed to Travis, TX, where all Loan Guaranty payments are processed. VA will continue to improve data collection for future GDX reports to better distribute loan expenditures at the state, county and congressional district levels.

** Unique patients are patients who received treatments at a VA health care facility. Data are provided by the Allocation Resource Center (ARC).

Expenditure data sources: Federal Assistance Awards Data System (FAADS) for Compensation & Pension (C&P) and Vocational Rehabilitation and Employment (VRE) Benefits; Veterans Benefits Administration Insurance Center for the Insurance costs; the VA Financial Management System (FMS) for Construction, Medical Research, General Operating Expenses, and certain C&P and Readjustment data; and the Allocation Resource Center (ARC) for Medical Care costs.

1. Expenditures are rounded to the nearest thousand dollars: "\$1" = \$500 to \$1,000; "\$0" < \$500; and "\$-" = 0.
